

Sample Data — Greed Route Recommender System

Filter: `user_id = 1`

All tables below are filtered by a single user. Data is merged from multiple source CSV files under `data/`.

Table 1: User Profile

Sources: `user.csv`

Description: Demographic and account information for the selected user.

Field	Value
<code>user_id</code>	1
<code>name</code>	ธนกร ชัยภูมิ
<code>email</code>	user1@example.com
<code>birth_year</code>	1965
<code>age_group</code>	senior
<code>sex</code>	female
<code>occupation</code>	freelancer
<code>marital_status</code>	other
<code>religion</code>	Buddhism
<code>hobbies</code>	reading, cooking, photography
<code>education_level</code>	high_school
<code>salary_range</code>	20k-50k
<code>preferred_language_id</code>	1

Field	Value
onboarding_completed	True

Table 2: User Genre Preferences

Sources: `user_genre_preference.csv` ⋈ `genre.csv`
Join: `user_genre_preference.genre_id = genre.genre_id`
Description: Genre preferences collected during onboarding, with human-readable genre names. Used as cold-start signal for Content-Based Filtering (M2).

user_id	genre_id	genre_name_th	genre_name_en	preference_score
1	96	การ์ตูนและมังงะ — Graphic Novel	Graphic Novel	4
1	32	สารคดี — Memoir	Memoir	3
1	41	สืบสวนสอบสวน — Cozy Mystery	Cozy Mystery	2
1	55	ระทึกขวัญ — Medical Thriller	Medical Thriller	1
1	75	วิทยาศาสตร์ — Earth Science	Earth Science	1

Table 3: User Book Events (Interaction History)

Sources: `user_book_event.csv` ⋈ `book.csv` ⋈ `genre.csv` ⋈ `level_of_intent.csv`
Joins:

- `user_book_event.book_id = book.book_id`
- `book.genre_id = genre.genre_id`
- `user_book_event.intent_level = level_of_intent.intent_level`

Description: Full interaction history for the selected user, enriched with book title, genre, and intent label. Used as input for Collaborative Filtering (M3–M6) and intent-weighted scoring (M4).

book_event_id	timestamp	user_id	title_en	genre_name_en	event_type	intent_level	intent_description	rating	dwell_time_seconds
a1858ddf-...	2024-10-29T21:52:58	1	The Last Exodus	Science Fiction	genre_view	0	Scrolling a genre/category	—	11.0
f6a81f2c-...	2024-10-29T21:55:34	1	The Last Exodus	Science Fiction	preview	1	Hovering over a book card	—	5.0
386fec82-...	2024-10-29T21:57:03	1	The Last Exodus	Science Fiction	view_details	2	Clicking a book for full details	—	162.0
4a9f7498-...	2024-10-31T03:52:43	1	Graffiti Art: Expression in Public Spaces	Fine Art	genre_view	0	Scrolling a genre/category	—	20.0
44708090-...	2024-10-31T03:57:24	1	Graffiti Art: Expression in Public Spaces	Fine Art	preview	1	Hovering over a book card	—	8.0

Table 4: Recommendation Log

Sources: `recommendation_log.csv`  `book.csv`
Join: `recommendation_log.book_id = book.book_id`
Description: Records of recommendations served to the selected user — which algorithm generated them, their position in the ranked list, and whether the user clicked or rated. Used for Online Evaluation (CTR, Funnel Conversion).

rec_log_id	timestamp	user_id	title_en	rec_algorithm	rec_position	was_clicked	was Rated
1280	2024-02-05T07:10:55	1	Khao Yai's Charm: A Haven for Foodies and Nature Lovers	collaborative	12	False	False

rec_log_id	timestamp	user_id	title_en	rec_algorithm	rec_position	was_clicked	was Rated
1965	2025-11-10T18:09:24	1	Digital Fortress	content	18	False	False
2556	2024-11-29T21:24:53	1	Sound Wave Therapy	hybrid	5	False	False
2662	2025-08-15T02:47:51	1	The Witch's Secret Bread Recipe	hybrid	19	False	False
2715	2024-06-16T21:41:40	1	Threads of the Night	content	9	True	False

Table 5: Rated / Purchased Books with Tags

Sources: user_book_event.csv ⌘ book.csv ⌘ publisher.csv ⌘ book_tag.csv ⌘ tag.csv

Joins:

- user_book_event.book_id = book.book_id (filter: event_type IN ('rate_review','purchase'))
- book.publisher_id = publisher.publisher_id
- book_tag.book_id = book.book_id
- book_tag.tag_id = tag.tag_id

Description: Books the user has rated or purchased, enriched with publisher info, aggregate ratings, and content tags. This merged view is the primary input for Content-Based Filtering (M2) and is used for Offline Evaluation ground-truth.

book_id	title_en	author	publisher_name	price	avg_rating	rating_count	tags	user_event	user_rating
8f115ff0-...	Graffiti Art: Expression in Public Spaces	บีบอย สตรีท	Kadokawa	347.82	4.0	1	dark-humor, diverse-voices, underrated	rate_review	4.0
8f115ff0-...	Graffiti Art: Expression in Public Spaces	บีบอย สตรีท	Kadokawa	347.82	4.0	1	dark-humor, diverse-voices, underrated	purchase	—

book_id	title_en	author	publisher_name	price	avg_rating	rating_count	tags	user_event	user_rating
6509937a-...	Laughter in the Silence	สมเกียรติ รุ่งเรือง	Hachette Book Group	813.08	4.0	1	feel-good, fast-paced, plot-twist	rate_review	4.0
